

CHAPTER ONE

OUR CONCEPT OF PARTNERSHIP

Furthermore, when I came to Troas to preach Christ's gospel and a door was opened unto me of the LORD, I had no rest in my spirit, because I found not Titus my brother: but taking my leave of them, I went from thence into Macedonia (2 Corinthians 2:12-13 KJV).

Introduction

One of the words God gave to us for this season is that He will Connect Destiny to Destinies.

Several divine ideas lack connectivity to manifest. Several open doors lack divine connectivity to manifest. No idea becomes a treasure on its own, but must be connected to ideas to become kingdom treasures. Treasures are final product of good ideas and good ideas are seed of destiny.

While I was in Port Harcourt very early in December, 2008, for the inauguration of our International Fellowship with Rev. Simonson, my friend, on behalf of T.E.A.M. I was filled with a deep hunger to know God's mind for the next season. I waited earnestly for divine instruction from God for His people.

In the evening of that day, now at Enugu, Rev. Garrison, an old American Missionary in our company spoke and said, "Pastor Patrick, Ministry and kingdom life is all of connectivity. God must be connected for destiny to be connected. Every pastor needs a pastor to connect a pasture." It was a great wisdom word. I believed the principle entirely.

Every believer needs a believer to make an impact on earth. This season is one unusual season of life where destinies will be fulfilled by connectivity. I need your support and you need my support. I need your encouragement and you need my encouragement.

Counsel

Your much awaited ideas shall be connected to divine destiny with complimentary idea that will make it work out. The LORD will put a burden of the manifestation of your heart ideas in the life of people. Just like this manual, they are just few partners that out of their God given resources, stake fund and material resources to enhance its productivity and distribution, thereafter pick copies and distribute to several others. They are destinies God has raised and connected to make this kingdom ideas work out. I believe that God can use you to further this course.

A postle Paul could not do much in Troas because he did not find Titus and Timothy. He quickly moved to Macedonia where they were and where there was a divine need to meet. Destines are connected to destines to meet divine needs. You shall be linked to a destiny that will enhance your dreams on earth.

Partnership Is Biblical

A braham had Eliezer as a destiny helper. (Gen 15:1; 24: 1-2)

Moses had Aaron as a destiny helper. Exodus 4:14

D avid had Ahitophel and Joab before they fell apart, as destiny helpers.

Nehemiah had destiny helpers who helped him to fulfill his dreams. Nehemiah 4:1-6

Paul had Timothy and Titus.

Esther had Modecai as destiny helper

These were Covenant Teams that came together by divine will and fulfilled divine mandate. They complimented each other. Truly divine idea needs divine helper to manifest and fulfil purpose. Deep calls to the deep. This is why we need one another in this season of life to fulfil our kingdom assignment.

Scope of Partnership

(1) Care Ministry: I have watched with deep passion and burden, the pressure on several Christians who were just simply deprived.

= In our Care Ministry Diary we have 30 believers registered. 10 are orphans who needed to be given a future. They must either go to school or acquire skill. 12 are children of single parents that are languishing in poverty. They needed to go to school and live a Christian life without anyone taking advantage of them. 8 are widows who needed the comfort, support and motivation of God to continue with life. Partner with us to give these great destinies a great future.

= In our Care Ministry, we sponsor large quantity of our devotionals (S.O.D) and Christian publication including Bibles to prisons and hospitals across the nation of Nigeria and West Africa. About 56 inmates in Nigeria have gained their freedom through this programme. With you on board, it can become better; let us give a future to these divine seeds that God planted on earth, who are victim of demonic manipulation.

In our care ministry, we shall partner with some world mission to carry out some humanitarian services in the areas of medical, clothing and feeding the hungry. God can use you to do this in Liberia and Nigeria.

(2) Publications, Seed of Dominion and Others:

We were commissioned by God to commence a devotional publication that will affect, at least 1% of the world population in 20 years. There are three basic focus of this publication called - Seed of Dominion which began about 8 years ago.

All these we have pursued and I am thrilled to note that denominational barrier has been broken. We currently print about 9,000 copies a month and need a minimum of N300,000 monthly for production, distribution, admin., and operations and salaries. We target to hit 15,000 publications a month by 2010. Please Partner with me to accelerate this vision.
